

20 Year Notification of Eligibility (NOE) Letter for Non-Regular Retirement Process: Notifying Soldiers of eligibility for Non-Regular Retirement

Description

The Retirement Points Accounting Management (RPAM) system identifies Soldiers eligible to receive their NGB Form 23D (Army National Guard Notification of Eligibility for Retired Pay for Non-Regular Service (NOE/Twenty Year Letter)). RPAM Administrator (RPAM-Admin) verifies the list of eligible Soldiers and sends NGB Form 23D to the Soldier's Unit and/or Home of Record (HOR). In accordance with State procedures, the Soldier undergoes a retirement counseling brief with a Reserve Component Survivor Benefit Plan (RCSBP) Counselor to ensure that the Soldier understands the impact of their retired pay and benefits. During this briefing the RCSBP Counselor also informs the Soldier of several options for retirement: Request Transfer to the USAR Individual Ready Reserve (IRR) (Control Group Reinforcement), Request Transfer to the USAR Retired Reserve, Request Discharge from the ARNG and Army Reserve, or to remain a drilling ARNG Soldier.
